Ladies Studying Jesus

Homework #5 – Vol. 9 #1

Peter's First Denial/Jesus' Trial before Annas

1. We are going to break up Peter's three denials with the information concerning the trials of Jesus before Annas and Caiaphas. This is consistent with Scripture.

Why would chronological studies of Jesus life do this? See Matt. 26:73; Mark 14:70; Luke 22:59

2. Read the passages that cover Peter's first denial and Jesus' trial before Annas.
Matt. 26:58, 69-70; Mark 14:54; 66-68; Luke 22:54-57; John 18:13-24

Answer these questions and give the text where you found the answer.

- Why did Peter sit/stand with the servants by the fire? (There are two answers given!)

- What did Peter say in his first denial? Every gospel record has a bit of his reply; write it into a "flowing narrative"!

- Who is believed to have helped Peter get into the palace of the high priest?

- Why was the first disciple allowed into the palace?

- John gave reference in John 18:14 to earlier comments Caiaphas gave in a meeting of Religious Leaders. What is the Bible reference to those words, and what else is relayed concerning Caiaphas' declaration in that passage?

- What information was Annas seeking from Jesus?

- What answer did Christ give Annas?

- What were two reactions within the judgment hall of Jesus' answer?
