

## **Ladies Studying Jesus**

### **Homework #12 – Vol. 9 #4**

Today we looked at Christ's Great Commission found in Matthew 28:16:15-18 and Mark 16:15-18. This task is given to all believers in every age. Let's consider how we as individuals have fit into this command.

1. All of us should be able to name that person/persons who exercised their part of the Great Commission and brought you the Gospel. Name them; tell a brief testimony of how God used them in your life; contact them or a close relative with an email, letter, text, or call to thank them for their faithfulness to the Great Commission!

2. But in reality, there are many more who have gone on and assisted in making you a disciple of Jesus Christ. Meditate on those people! Name 4 – tell us what part they had/have in your spiritual growth; where you were in your growth when you meet them; how you knew them; how long they actively were a part of your life; what aspect of the Christian walk they influenced you the most---contact them or a close relative with an email, letter, text, or call to thank them for their faithfulness to the Great Commission!
